Learning Experience Designer & Instructional Technology Specialist

eLearning | ADDIE | LMS Administration | Corporate Training | Learning Operations

Professional Summary

Learning Experience Designer & Instructional Technology Specialist with a Master's in Emerging Learning Technologies and over five years of experience building scalable corporate training programs. In-depth expertise managing end-to-end LMS platform workflows for more than 500 active users, including technical user provisioning, audience logic rules, and platform compliance audits. Adept at leveraging the ADDIE/SAM frameworks to design standardized onboarding tracks, interactive simulations, and rapid e-learning assets. Proven ability to translate complex operational workflows into clear, accessible learning paths that optimize workforce adoption, accelerate employee ramp-up times, and reduce process errors across hybrid corporate environments.

CORE SKILLS

- **Instructional Design:** ADDIE Framework, SAM Methodology, Adult Learning Theory, Learning Experience Design (LXD), Curriculum Design, eLearning Scripting & Storyboarding.
- **Training & Development:** New-Hire Systems Onboarding, VILT/ILT, Product & Technical Training, Compliance Modules, Job Aids, Standard Operating Procedures (SOPs).
- **Learning Operations:** LMS Administration, Data Reporting & Auditing, User Provisioning, Learner Performance Records, Training Completion Tracking.
- **Stakeholder Engagement:** Cross-functional SME Collaboration, Training Needs Analysis, Project Timeline Management, Assessment Design, Kirkpatrick Evaluation.

LEARNING TECHNOLOGY & TOOLS

- **Authoring & Creative Design:** Articulate 360 (Storyline, Rise), Figma, Canva, Microsoft PowerPoint, Camtasia.
- **LMS & Systems Management:** Cornerstone LMS, Google Classroom, Specialized LMS/SIS Platforms, Access Provisioning.
- **Data & Performance Analytics:** Advanced Excel, Google Sheets, Automated Learner Progress Dashboards, Audit Reports.
- **Collaboration Suites:** Microsoft Teams, Zoom, Outlook, Google Workspace, AI-assisted Storyboarding Frameworks.

PROFESSIONAL EXPERIENCE

Uplift Ascend Charter School | Fort Worth, TX

Learning Technology & LMS Administrator | Sept 2025 – July 2026

- Administered end-to-end digital learning operations and LMS platform workflows for 500+ active users, ensuring record integrity and strict system access security.
- Managed technical user provisioning, customized permission access levels, audience assignment logic, and progressive user tracking logs.
- Audited and cataloged over 1,000 centralized data points capturing compliance records, training completion timelines, and performance benchmarks to measure adoption.
- Designed structured, asynchronous digital learning experiences and interactive rubrics using ADDIE/SAM frameworks mapped directly to business adoption metrics.
- Storyboarded and produced 25+ learner-facing multimedia resources, including interactive e-learning modules, video screen captures, and software user guides.
- Partnered with Subject Matter Experts (SMEs) and leadership teams to conduct thorough needs analyses and isolate delivery model performance gaps.

Kokua Education | *Dallas-Fort Worth, TX*

Learning Operations Specialist | May 2025 – Sept 2025

- Executed structured corporate learning tracks and pre-planned training curriculum across diverse user cohorts while adhering to strict documentation and timeline goals.
- Tracked individual user development metrics, program attendance milestones, and essential training completion notes with high administrative precision.
- Coordinated active communication loops, reporting delivery timeline metrics and operational performance data clearly to internal supervisors and key stakeholders.
- Adapted curriculum delivery pacing across multiple environmental constraints and varying learner requirements to prevent performance drops.

Wow Art Party | Freelance Workspace | *Dallas-Fort Worth, TX*

Program Operations Coordinator (Freelance) | Jan 2022 – May 2025

- Coordinated regional training workflows and managed scheduling logistics for cross-functional instructional event programs.
- Orchestrated end-to-end client onboarding pathways, automated learning communications, and controlled billing data inputs across multiple web platforms.
- Storyboarded and produced digital multimedia assets, software quick-reference guides, and support materials to streamline remote user workflows.
- Maintained absolute system accuracy across bookkeeping records, customer enrollment databases, and vendor resource tracking logs.

Independent Humanitarian Arts Initiative | *Dallas-Fort Worth, TX*

Cross-Functional Program Director & Event Producer | Feb 2024 – Apr 2024

- Led the end-to-end project lifecycle of a cross-functional program rollout from initial concept through live deployment.
- Managed cross-functional operational workflows by aligning corporate non-profit coordinators, volunteers, and commercial stakeholders.
- Secured \$10,000 in program funding and corporate sponsorships via strategic outreach matrices and data-driven donor pipelines.
- Developed clear user-facing operational guides, volunteer deployment tracking, and standardized communication layouts to eliminate project friction.

SELECTED INSTRUCTIONAL DESIGN PORTFOLIO PROJECTS

<https://nejmeartist-coder.github.io/aseel-refai-portfolio/index.html>

E-Commerce New-Hire Onboarding Matrix (Articulate Storyline & Figma)

- Designed an interactive 30-60-90 day onboarding curriculum track for supply chain staff.
- Reduced order-fulfillment data-entry errors by 22% and cut employee ramp-up times by 14 days.

Visual Literacy Architecture Module (Articulate Rise 360 & Canva)

- Developed a mobile-responsive asynchronous course using progressive disclosure.
- Utilized gesture-led sorting blocks to accelerate data visualization scanning accuracy.

Cross-Functional Feedback & Data Compliance Matrix (Articulate Rise 360)

- Programmed an interactive training matrix centered around realistic risk-mitigation scenarios.
- Equipped leadership teams with active compliance steps, reducing policy infraction risks.

EDUCATION & PROFESSIONAL DEVELOPMENT

- **Master of Arts: Emerging Learning Technologies (ELET)** | Rocky Mountain College of Art + Design (CO)
- **Bachelor of Arts: Fine Arts and Art Education** | University of Texas at Arlington (TX)
- **International Training Expertise:** 5+ years optimizing instructional pacing, media deployment, and learning delivery tracks across multicultural professional spaces in Thailand and Kuwait.
